# HAVE YOUR SAY

I want to know what issues concern you the most

Stay informed and subscribe to the monthly newsletter at [www.lenwebber.ca](http://www.lenwebber.ca)

Dear Constituent,

Since being elected as your Member of Parliament for Calgary Confederation, I have focused on two priorities—listening to my constituents and then making sure I vote on their behalf in Parliament.

My dedication to voting is to make sure your voice is counted in Parliament. Of the 338 Members of Parliament, I have the 12th-highest voting attendance record which puts me in the top 3.5% of all MPs.

As part of my pledge to represent your views in Parliament, I have regularly consulted with you on important issues through my community mailings and online surveys. This feedback, along with the hundreds of letters and thousands of emails, helps me to better represent the community — even if it is not always in line with my party’s position.

This is my annual community survey and the results greatly determine how I prioritize my time and energy on the issues of most importance to our community. The list of issues is based on the most popular issues I have received correspondence on in the past year.

I hope you are able to appreciate the importance of returning my community surveys to ensure that I represent our community accurately on the issues. I read each of the responses and value the perspectives people share with me.

My monthly email newsletter provides the community survey results and I would encourage you to sign up at [www.lenwebber.ca](http://www.lenwebber.ca).

Kind regards,

*Len Webber*
