**2022 ANNUAL
COMMUNITY SURVEY**

**HAVE

**I want to know
what issues
concern you
the most**

Stay informed and subscribe
to the monthly newsletter at
www.lenwebber.ca

Dear Constituent,

As part of my pledge to represent your views in Parliament, I have regularly consulted with you on important issues through my community mailings and online surveys. This feedback, along with the hundreds of letters and thousands of emails, helps me to better represent the community — even if it is not always in line with my party's position.

This is my annual community survey and the results greatly determine how I prioritize my time and energy on the issues of most importance to our community. The list of issues is based on the most common issues I have received correspondence on in the past year.

I hope you are able to appreciate the importance of returning my community surveys to ensure that I represent our community accurately on the issues. I read each of the responses and value the perspectives people share with me.

My monthly email newsletter provides the community survey results and I would encourage you to sign up at www.lenwebbermp.ca. The past has shown that electronic communications are both an efficient and effective way for me to share important information with you.

In closing, I would like to encourage everyone to support our community charities during this time of high inflation. Many in our community are struggling with rising prices and need help. We all have three things to give — our time, our talent and our treasure (money). Some have more of one than another and any way you can help to our community is greatly appreciated.

I can be of assistance to you or your family, please do not hesitate to reach out to my office for help.

Kind regards,

Len Webber
